

CITIZEN BAND POTAWATOMI INDIANS OF OKLAHOMA

SPECIAL TELEPHONE CONFERENCE

OF TRIBAL BUSINESS COMMITTEE

February 2, 1979

A special Business Committee conference was called by the Committee Chairman, Paul E. Schmidkofer. Each member was contacted by the Tribal Administrator, John Schoemann.

It was the concensus of the Business Committee to retain Jeff Diamond as tribal attorney in the action of attempted cancellation by CTSA of the tribal CETA Sub-Contract.

The Business Committee reviewed the cancellation and then determined the tribe was in compliance with terms of the Sub-Grant and that the cancellation was unwarranted. The vote was 5-0 in favor that legal recourse to resolve the situation will be litigation through the Federal Court System, to be filed February 9, 1979.
