February 2, 1939.

Mr. Jim Dowdy,

Sheriff Johnston County,

WP 5533  
Tishomingo Water Line

Dear Mr. Dowdy:

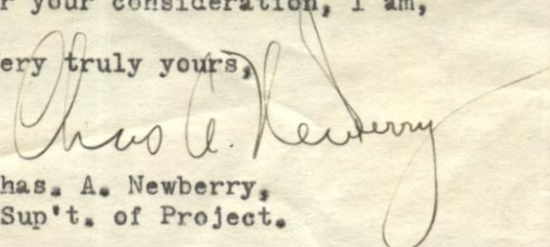

As per verbal conversation this morning, this is to advise you that during the night of February 1st., 1939, there was stolen from the W. P. A. approximately 75 pounds of lead. This lead was stolen from our melting pot which was located along the water line excavation in the SE $\frac{1}{4}$ , Sec. 33, Township 4S, R6E, approximately 3/4 mile north of the City Limits of the town of Tishomingo.

This lead had been melted and was in a circular shape, approximately 15 inches in diameter and 5 inches in depth.

Will you please take the necessary steps to recover the same?

Thanking you in advance for your consideration, I am,

Very truly yours,

  
Chas. A. Newberry,  
Sup't. of Project.
